## WHAT WILL I BE DOING?

Your exciting work day will begin at 8am. Teaching various classes, you'll get to interact with a wide range of children and teachers. School finishes at 2:30, giving you the evenings to enjoy with your friends, wandering the lovely tree-lined streets and exploring the tremendous natural beauty of the surrounding area.

## WHAT HAPPENS WHEN I ARRIVE?

You will be greeted at the airport in Douala by a friendly Frontier representative. You will travel the 134 mile journey to your project location in Bamenda in the North West Province using the safe and reliable bus service.

## WHERE WILL I BE STAYING?

Accommodation will be in a clean, comfortable hostel or with a local host depending on your preference and the availability. Single-sex dorms are much like those that you'd find in Europe, with electricity and running water. The bedrooms contain a bed (with a sheet, blanket, and pillow) and a table/desk. The hostel also has a shared kitchen and dining area. There is a shower room for each bedroom and a shared toilet.

## WHAT WILL I BE EATING?

You will be offered two meals (breakfast and dinner) a day. Your diet will consist of fresh locally available food, including vegetables, fruits, rice, meat, fish, corn, plantains, bananas and occasionally some western style dishes.
