WHAT DOES THE PROJECT DO?

French is the 10th most spoken language in the world and is often referred to as one of the most romantic spoken languages. It is spoken in a vast number of countries including Belgium, Switzerland and Canada and is regarded as one of the most important diplomatic languages, spoken by members of NATO, the International Court of Justice and the World Trade Organisation to name but a few. This project will enhance your language skills, integrating you within a fast paced environment whereby your ability to communicate in French will progress at an impressive rate.

Whether you want to improve your career prospects or make travel easier then Frontier's French language immersion programme is right for you.

WHAT WILL I BE DOING?

Your typical routine will involve lessons commencing from 9am till 12pm, allowing you to have afternoons and weekends free to explore! The teaching staff within the school will be highly qualified native speakers, ensuring that you are receiving the highest quality of tutoring. If you are a beginner, being taught by an experienced teacher will give you an excellent introduction to this elegant language, picking up on colloquialisms whilst mastering your pronunciation. In class exercises, reading, writing, and grammar will all be covered, ensuring that you grasp the fundamentals before moving on to more complex constructions and subjects as your confidence builds.

Out of the classroom you will be able to put your French speaking into practice, exploring this culturally diverse city and conversing with the welcoming locals. In addition to your own exploring, you may have the opportunity to take part in cultural activities such as museum visits, city centre tours, markets and vineyards tours twice a month.

WHAT HAPPENS WHEN I ARRIVE?

You can reach the city of Lyon by flying into Lyon Saint Exupery or by train into Gare de la Part-Dieu or one of Lyon's other train stations. From here you will be able to transfer by taxi or public transport to your accommodation.

The language school offers a pick-up service from Lyon Saint Exupery airport for an additional €100 or from a Lyon train station for €50. They are more than happy to organise the drop off at the airport or train station at the end of your programme for the same prices.

WHERE WILL I BE STAYING?

During your course you will be staying in homestay accommodation with a recommended local family. You will have your own room, access to the kitchen, bathroom, WC, Wi-Fi and will be provided with two meals a day. This is a great way for you to immerse yourself into the culture and lifestyle of a typical French family.

There is also the option to upgrade your accommodation to the student accommodation where you would have your own room with either a private or a shared bathroom. Laundry facilities would be available to you and you would have full use of a kitchen. If you would like to upgrade, please speak to one of the volunteer advisors about this.

WHAT WILL I BE EATING?

If you choose the homestay accommodation you will have breakfast and dinner included. This half

board option allows you to practice French during dinner and also allows you to discover more of the French culture within a family setting.

If you do choose to head out and experience all of the culinary delights, the city of Lyon has a lot to offer. This gives you a great opportunity to practice your newly acquired French vocabulary with the locals. French cuisine is world famous, with cutting edge chefs leading the world's Michelin star establishments and with over a thousand different eateries in Lyon you will be spoilt for choice! Local cuisine is rich and relies on a wealth of fabulous local ingredients such and a wide variety of meats, fruits, herbs, and vegetables from the surrounding area.
